About me

Kommah McDowell is a healthcare executive, keynote speaker, author, and nationally recognized patient advocate whose work helps organizations engage, educate, and empower the people they serve.

A survivor of Triple Negative Inflammatory Breast Cancer, she brings a rare blend of lived experience, executive leadership, and innovation as Chief Customer Officer at Tali Health, helping shape more human-centered care through communication, patient engagement, and AI.

SIGNATURE SPEAKING TOPICS

The Power of Second Opinion

How one decision saved my life and what every patient deserves to know.

Leading Through Adversity

Lessons in resilience, leadership, and courage during life's greatest challenges.

The Future of Patient-Centered Care

Building healthcare systems that truly partner with patients.

Healthcare Through the Patient's Eyes

What clinicians, executives, and researchers can learn from lived experience.

Faith Through the Fire

Finding hope, purpose, and peace during life's hardest seasons.

Inflammatory Breast Cancer

Recognizing the signs, advocating early, and saving lives through awareness.
